一天，邻家张伯伯在门前的空地上干活儿。

我好奇地问他在做什么，他说：“你自己看吧。”

张伯伯听了眉开眼笑地说：“来，和我一起

收割吧！”

## My neighbour's vegetable garden.

One day, Uncle Zhang, my neighbour, was working on an empty land in front of his house. I curiously asked what he was doing, and he said, "Look for yourself."

In the first week, I saw Uncle Zhang watering and green leaves sprouted from the ground.

In the second week, I saw more green leaves growing!

A month later, I saw vegetables growing on the ground, they measure one foot high! I said to Uncle Zhang, "I know now what you are doing."

Uncle Zhang smiled and said, "Come, harvest them with me!"

### Walking into a zoo

Walking into a zoo,  
I cheered with my friends:  
Look, the elephant with a long trunk,  
The rabbit with long ears,  
The monkey with a long tail...

Walking into a zoo,  
I cheered with my friends:  
Listen, the buffaloes are talking in  
the mud,  
The duck invites friends to play in  
the water,  
The birds give a concert...

Everyone talked and laughed while  
they walked and watched,  
A friend who walked ahead said:  
"Keep your voice down, the lion in  
front is sleeping!"

Additional note: Elephant's nose is called a trunk.

**I want.**

When I see a baby elephant  
I want to have a long nose,  
And "shake hands" with the  
elephant's trunk.  
When I see the monkey,  
I want to have a long tail,  
And make a "pinky promise" with  
the monkey's tail.

When I see the deer,  
I want a pair of long antlers,  
And the deer use antlers to "fight".

I want,  
To make friends with lots of animals.
